

**Where timeless craftsmanship meets modern design.**

The traditional ceiling fixture is reimagined with a  sophisticated wood trim band, blending natural warmth with contemporary elegance. By incorporating wood into interior applications, this fixture does more than illuminate—it transforms the atmosphere. Wood introduces durability, texture, and a timeless aesthetic, while also enhancing comfort, well-being, and productivity. It's not merely decorative; it's a design element that connects people to nature, enriches mood, and adds character to any space.

Choose from a curated selection of faux wood finishes—Bamboo, Maple, Teak, or Walnut—each offering its own unique grain and tone to complement a wide range of interiors.

Bands available with opaque or semi-translucent bands, allowing you to tailor the glow to your desired ambiance whether soft and diffused or crisp and defined.

Adding wood trim to lighting fixtures introduces warmth, depth, and a sense of craftsmanship. It elevates interiors by balancing functionality with artistry, making the fixture not just a source of light but a focal point of design.

## Construction:

- The fixture features a faux-wood side diffuser, offered with either non-translucent or semi-translucent lens options, surrounding a traditional white smooth acrylic lens to accommodate a wide range of aesthetic and functional design goals.
- Standard light distribution is calibrated to deliver 10% uplight and 90% downlight. For customized distribution configurations, please contact the factory.
- The bottom diffuser is crafted from white textured acrylic.
- The housing is built from durable steel and finished with a sleek, powder-coated surface for enhanced protection and visual appeal.

## Light Source:

- LED
- Incandescent socket base

## Notes:

- Mounting Kit Included for standard J-box
- Finish options applies only with optional battery backup extension ring or Center Finial
- **Build America, Buy America Act Compliant**
  - Replaceable Module
  - CRI > 90
  - Dimming (10% or 1%)
  - Universal 120/277 volt standard
  - 5-Year Warranty on LED Components

- For a pendant mounted version see the **LDWH**

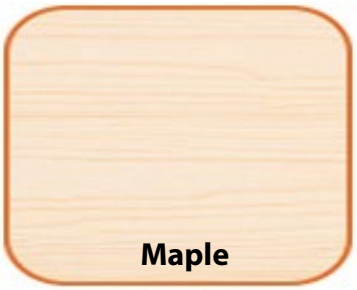

Shown with Walnut side diffuser (DV4)

For Pedant mount fixture, please see the LDWH
