

Where timeless craftsmanship meets modern design.

The traditional pendant is reimagined with a sophisticated wood trim band, blending natural warmth with contemporary elegance. By incorporating wood into interior applications, this fixture does more than illuminate—it transforms the atmosphere. Wood introduces durability, texture, and a timeless aesthetic, while also enhancing comfort, well-being, and productivity. It's not merely decorative; it's a design element that connects people to nature, enriches mood, and adds character to any space.

Choose from a curated selection of faux wood finishes—Bamboo, Maple, Teak, or Walnut—each offering its own unique grain and tone to complement a wide range of interiors.

Bands available with opaque or semi-translucent bands, allowing you to tailor the glow to your desired ambiance—whether soft and diffused or crisp and defined.

Practical Benefits:

- Low Maintenance: Easily cleaned with a simple wipe of a damp cloth.
- Versatile Styling: Works seamlessly in modern, transitional, or traditional spaces.
- Sustainable Appeal: Faux wood options provide the natural look without the upkeep of real wood.

Design Impact:

Adding wood trim to lighting fixtures introduces warmth, depth, and a sense of craftsmanship. It elevates interiors by balancing functionality with artistry, making the pendant not just a source of light but a focal point of design.

Construction:

- The LDWH features a faux-wood side diffuser, offered with either non-translucent or semi-translucent lens options, surrounding a traditional white smooth acrylic lens to accommodate a wide range of aesthetic and functional design goals.
- Standard light distribution is calibrated to deliver 60% uplight and 40% downlight. For customized distribution configurations, please contact the factory
- The bottom diffuser is crafted from white textured acrylic
- The canopy and housing are built from durable steel and finished with a sleek, powder-coated surface for enhanced protection and visual appeal.

Light Source:

- LED
- Incandescent socket base

Notes:

- Mounting Kit Included for standard J-box
- Multiple canopy and stem options available.
- Custom overall heights available
- **Build America, Buy America Act Compliant**
- UL and CUL listed **DAMP** location
 - Replaceable Module
 - CRI > 90
 - Dimming (10% or 1%)
 - Universal 120/277 volt standard
